We have a great team in the Scotland region where colleagues are very supportive. The use of Teams meetings has also introduced me to colleagues in other regions which helps us to all work together. Tilbury Douglas is also committed to training and development.

## What would your advice be to women considering a career in construction?

Do it! Don't be put off thinking it is male dominated as our Women @ Tilbury Douglas group has proved that women are very much at the forefront of the industry.
